

K-LOVE radio serves me as a resident of the local community by having a positive influence on my life and the life of my child. I never have to worry what we will hear on this station. If K-LOVE were displaced by an LPFM broadcaster providing other programming, it would be very sad. Many people are lifted up on a daily basis by listening to K-LOVE radio. Thousands are brought to Christ through this station. The service provided by K-LOVE is in the public interest because it offers an alternative to some of the "hate" music out there today. It gives parents a positive choice for their children to hear the same "beat" of music with encouraging and uplifting words instead of the disgusting words other artists choose to use in their music. Prayer has been removed from almost every aspect of our children's lives except in church. This gives them and families a chance to worship all week long instead of on Sunday only. K-LOVE is inspiring and makes my driving experience much more pleasant than any other station available. I believe in K-LOVE radio's outreach and support them financially on a monthly basis as well as in prayer.
